Technical assistance may be obtained from:

Telephone: (307) 777-4489

E-mail: BRASSTechSupport@wyo.gov

Purchasing, billing and licensing assistance may be obtained from:

Telephone: (307) 777-4489

E-mail: BRASSBilling@wyo.gov

When requesting technical assistance, please visit the incident tracking system at www.wydotbrass.com. Users without an account on the incident tracking system can request an account by clicking on the "Open a Technical Support Account" link/button and e-mailing the address or calling the phone number listed. A username and password will be created and sent to the user. With this system, you may upload your data file and a description of the incident, any error messages, any bridge drawings, and any hand computations, which illustrate the concern. An Incident number will be assigned to track the progress of resolving the incident.

## Installing BRASS-PIER(LRFD)™

The installation programs for all the BRASS™ programs are loaded on a single DVD or may be obtained from the WYDOT FTP server. Instructions for accessing the FTP server are provided in the file **BrassDownloadInstructions.pdf**. A password is required to install this program.

Listed below are the necessary system requirements to install BRASS-PIER(LRFD)<sup>TM</sup> on your computer's hard drive.

### **System Requirements**

Operating System Microsoft Windows<sup>™</sup> XP (SP2 or SP3), Vista, 7, 8, 8.1, or 10.

Microprocessor Pentium IV or higher

Microsoft .NET Framework N/A

Memory 128 MB required, more is better

Hard Disk Space Approximately 25 MB

Disk Drive DVD drive

#### Installation

The following procedure describes how to install BRASS-PIER(LRFD)<sup>TM</sup>. This method may also be used for installation onto a network drive.

- 1. Browse to the **Pier(LRFD)\Exe** directory on the DVD or FTP server to locate the installation executable **BrassPierLrfd-2.6-Install.exe**.
- 2. If using the FTP server, download the installation executable.
- 3. Run the installation file **BrassPierLrfd-2.6-Install.exe** and follow the prompts.
