

Wyoming Department of Transportation
Survey Manual

Table of Contents

I. General Information	I-1
A. Introduction	I-2
B. Public Relations	I-3
C. Surveying	I-4
D. Surveying within WYDOT	I-7
II. Documentation	II-1
A. Introduction	II-2
B. Methods of Documentation	II-2
C. Importance of Documentation.....	II-4
D. Documentation Submittal and Archival	II-4
III. Measurements and Errors	III-1
A. Introduction	III-2
B. Surveying Measurements	III-2
C. Errors	III-5
IV. Project Control Monuments	IV-1
A. Permanent Monuments.....	IV-2
B. Extendible Monuments	IV-5
C. Temporary Monuments.....	IV-5
V. Control Surveys	V-1
A. Geodesy	V-3
B. GPS Surveying	V-22
C. Differential Leveling	V-47
D. Extendible Control Surveys.....	V-49

Table of Contents

VI. Preliminary Surveys	VI-1
A. Introduction	VI-2
B. The Preliminary Surveying Process	VI-3
VII. Photogrammetric Surveys	VII-1
A. General	VII-3
B. Photography	VII-4
C. Photographic Ground Control	VII-13
D. Photograph Annotation	VII-18
E. Terrain, Planimetric, and Digital Image Collection	VII-21
VIII. Survey Standards	VIII-1
A. Introduction	VIII-2
B. PS15 Feature Code Accuracy Tables	VIII-3
C. Accuracy Calculations	VIII-13
IX. Traffic Control	IX-1
A. Introduction	IX-2
B. Rural Areas	IX-2
C. Urban Areas	IX-19
X. Appendix	IX-1
A. Appendix A – Abbreviations	A-1
B. Appendix B – Definitions	B-1
C. Appendix C – Basic Trigonometry	C-1
D. Appendix D – Alignment and Superelevation	D-1
E. Appendix E – Plane Geometry	E-1
F. Appendix F – Volume	F-1
G. Appendix G – Units of Measure	G-1
H. Appendix H – Utility Companies	H-1
I. Appendix I – Railroad Companies	I-1

J. Appendix J – Standard Survey Monuments J-1
K. Appendix K – Standard Naming Conventions K-1
L. Appendix L – References L-1
