

BUY AMERICA CERTIFICATION

Certification Requirement for 23 CFR 635.410 Buy America on Service Agreements

This project will be utilizing federal funds. Please complete either the Buy America Certification or the Minimal Use Certification and return with your signed service agreement.

Buy America Certification

I certify that all materials used on this project will meet the requirements of 23 CFR 635.410 Buy America and any amendments thereto. Any waivers to this requirement that have been approved by the FHWA are attached to this certification.

Minimal Use Certification

I certify that a minimal amount of foreign steel and iron materials will be used on this project. The cost of such materials does not exceed one-tenth of one percent (0.1 percent) of the total contract cost or \$2,500, whichever is greater. All other materials used on this project will meet the requirements of 23 CFR 635.410 Buy America and any amendments thereto. Any waivers to this requirement that have been approved by the FHWA are attached to this certification.
